About This Game

Get in the role of an urban bike messenger, ride, walk and sometimes use a car trough the city and deliver letters just in time.

Earn money and **customize** your bike and biker, have a look on your opponnet the city postal service because if you are not busy enough they set post boxes everywhere and occupy your customers!

Have fun **exploring** the vast city and its suburbs spread over a few islands in an open world.

Race and **chase** with other bikers for money and fame or look for a gamble store if you are lazy
Participate in an epic **keirin style bike race** in the velodrome!

Don't get caught by the police or the gangsters because they take your hard earned money!

And at least buy some flowers to invite your girl friend to an epic ride to a restaurant to enjoy a romantic evening!
